

December Message from Trustee Ann Andrachuk.

The Advent season is the perfect time to reflect on the challenges, successes and achievements our school communities have come across over the last year. Whether it's the difficult conversation around budgets, good news regarding new facilities or the inspiring stories of our students and schools I'm continually reminded of how proud and lucky I am to represent such a strong and diverse community.

It is with these thoughts in mind that I wish all of the students, families and educators in these school communities a blessed Advent season, a very Merry Christmas and a prosperous New Year.

Sincerely,

Ann

Trustee – Ward 2
