

St. Gregory Catholic School Advisory Council (CSAC)

Invites You to Participate

Your CSAC would like to thank everyone for their help in continuing to make **St Gregory Catholic School** "A Great Place To Be". St. Gregory is a vibrant and busy school with lots of activities for the students. It is also a school with a very involved parent community that works closely with school staff to create a rich and varied environment for your child or children to grow and develop to their full potential. We also work closely with our home parish, *St. Gregory Catholic Church*, to provide for the sacramental needs of our students.

CSAC is the only venue that brings together parents, students, teachers, and administrators to discuss our common goal of enhancing Catholic Education through Catholic Values. We would like to encourage you to **become more involved in St. Gregory's CSAC for the 2013/14 School Year**, either as a voting member (see election info below), or as a participant in our CSAC and Subcommittee meetings.

As a CSAC member you can help our Council discover new and exciting ways to contribute to the education of students in our school. Education is a partnership involving parents, students, teachers, principals, school boards, government, and the community. Involvement in CSAC provides an opportunity to help strengthen that partnership, and to be part of a dedicated team working to support a high quality of education and an accountable education system for the children of Ontario. Your participation can and will make a difference!

CSAC members actively participate in meetings and activities throughout the school year. Our meetings are structured to inform and encourage an open dialogue between all participants and enable them to gain a better understanding of school concerns, activities, plans, and their effect on our students. You are always welcome to attend any of our meetings. By virtue of being a member of the St. Gregory community you are welcome to participate in CSAC and its activities.
