

## St. Gregory Catholic School Advisory Council (CSAC)

# Invites You to Participate

St. Gregory's CSAC would like to thank everyone for their support in continuing to make **St. Gregory Catholic School "A Great Place To Be"**. Together, the school staff and parent community, alongside St. Gregory's Catholic Church, continue to create a rich and varied environment for students to develop to their full potential and grow in our Catholic faith.

CSAC brings together the school community comprising of parents, students, teachers, and administrators, with the common goal of enhancing student achievement and wellbeing. **We would like to encourage parents/guardians to become more involved at St. Gregory by becoming an elected council member of CSAC for the 2014/15 School Year.**

As a CSAC elected member you can help our Council discover new and exciting ways to contribute to the education of students in our school. CSAC council members actively participate in meetings and activities throughout the school year. Meetings are structured to inform and encourage an open dialogue and enable a better understanding of school concerns and activities that will impact our children. **Parents, whether an elected member or not, are always encouraged to attend meetings and provide their perspectives.**

Please consider your involvement with St. Gregory CSAC. Nomination forms are available on-line and in the school office. We ask that these be returned to the office by Wednesday September 17<sup>th</sup> (3pm).
