

Do you remember this ?

This is what our sanctuary used to look like before restoration.

Over the past few months we have been working to restore the sanctuary – removing the old carpet, repairing the damaged floor and other areas that need repair to make our church more pleasing to those who come to pray with us.

LENT

Unlike the church that gets renovated once every thirty or forty years, LENT is a time set aside by the Church so we can renew/renovate our relationship with Jesus.

After all, it IS about HIM and our relationship with HIM that really matters.

How are your Lenten promises going?

Have you been to confession to CLEAN up some damage in your soul created by SIN?

I hope you take advantage this Lent to celebrate the forgiveness of Jesus in your life and to celebrate EASTER with a new look; FREE of SIN
